

Youth Camp '07

As always, Youth Camp was a blast. We had a great time with great participation, great spirit, great preaching, great singing and great food. Everything was great. We had only our church young people for a time of exhortation and encouragement. Yet we had eight people realize they were lost and get saved. Our youth leaders did a great job and we just thank the Lord for how He worketh all things well.

FURLOUGH – Beginning July 18

Well it is that time again. I certainly have mixed emotions about returning to the States. Certainly I look forward to seeing family, friends and partners in the work that we have not seen since our last visit in 2003. However, our heart is truly here and we hate to leave, even for this short break. We are so thankful that the Lord has filled our schedule already with just a few open dates.

PLEASE PRAY for the objectives of our furlough: First, we must raise monthly support. We have lost 25% of our support in the last two years. This of course is due to losing a few churches but mostly to the declining dollar to the peso exchange rates. Secondly, we want to raise \$125,000 to purchase land and start a building to finally establish a permanent location for the ministry of New Beginnings Baptist Church & Bible College. Our college is growing each semester. We are training the nationals to go start other works both here in the Philippines as well as the uttermost parts, especially targeting the 10/40 window .

God bless you all. We hope to see as many of you as we can while in the States.
